MaxFund “Peace of Mind” Pet Guardianship Pet Profile

The loss of a human companion can be devastating for a pet. With the comfort of familiar surroundings gone, a favorite toy or daily routine can help a great deal. The information you provide here can greatly influence the success of your animal’s transition into a new home. Be as detailed as possible and provide additional information if necessary—your pets will thank you for it! Fill out a separate profile for each of your pets and send them to the executor of your will, your attorney, your pet guardians, MaxFund, and any family or friends who can help ensure your wishes are carried out. Update profiles as needed and keep them with your important papers. You can download additional forms at www.maxfund.org.
